Dear Harold,

Thank you so much for your letter of February 22.

The DeMohrenschild FBI files that I copied at AARC were all compiled in 1964. Although a number of the files have information from interviews in the 1940s, they are "1964 retrospectives" which incorporate pieces of the interviews/data from earlier files, but the investigative dates on the reports, themselves, are all 1964.

The other day, when I was mapping out when I might be able to afford the time & the $$ to come down, including the rental of a car, it dawned on me that the cost that I would incur for the round-trip AMTRAK fare, meals, auto rental, etc. would probably come out to about what it would cost for a copy of your entire DeMohrenschildt file....& then I would have to incur the further expense of the copying. Thus, I wondered if your original offer, in your letter of February 10th, is still available?....to have the entire file copied, in Frederick, without my coming down. If this is OK with you, please let me know whether you want a check (deposit) "up front" or the full payment for copying & postage after the records are duplicated.

I am enclosing a list, that I scribbled, of the files that I currently have for both George (G) and Jeanne (J)...a total of about 1 1/2 inches.

I do hope that I get to meet you some time....though I feel that I "know" you from your interviews in various JFK & MLK films....your letters & our phone conversation.

Best wishes,

Peggy

Peggy Adler Robohm

P.S. Do you have files on:
Clemard Charles
Herman Kimsey
